

Project Purpose

- The purpose of the Project is to reconnect the community surrounding the defined transportation corridor and improve the compatibility of the corridor with the adjacent land uses, while addressing the geometric, infrastructure, and multi-modal needs within the corridor in its current location.
- Objectives:
 - Reconnect the surrounding community by creating continuous greenspace to enhance the visual and aesthetic environment of the transportation corridor;
 - Maintain the vehicular capacity of the existing transportation corridor;
 - Improve vehicular, pedestrian, and bicycle mobility and access in the surrounding community by implementing Complete Street roadway design features; and
 - Address identified geometric and infrastructure deficiencies within the transportation corridor.
